Prayer Focus

How can we support you in prayer?

Please send any prayer needs to hello@churchatpv.org.au

Prayer requests

Skye: continue to pray that the damage to the tubes affecting blood flow to her kidneys will be fixed soon through appropriate medication and her keeping well hydrated.

Peter Belmont: for his recovery after major surgery to remove a large mass on his lung.

Charles' daughter Nicole: that the doctors can get the bleeding under control from her c-section last week. Pray for Charles and the rest of the family too.

Kerrie Moore: for her recovery from major surgery, and that the whole family will feel God's love and peace at this time.

Coby Langmead: for her continued recovery to be smooth.

Steve & Elaine: As Steve undergoes chemotherapy, pray for protection from infection, for both Steve and Elaine to take comfort and have assurance that God is in control of the situation.

Streven family & Tea's dad: continue to pray for them all.

Gavin Brookes: pray that he continues to be eligible to be on the kidney transplant list.

Ted & Lita: for them to feel loved and have connection with their brothers and sisters in Christ.

Alana & Shelley Moss report on an exciting new outreach opportunity to East Timorese workers in Queensland.

However, with great sadness we note the passing of **Gary Bryar** in Brazil last Sunday.
